Bring your group! In Flørli, we can accommodate groups of 63 for **overnight stays** or 120 for **daytime** events. With rented capacity, we've hosted events with several hundred guests.

So bring it on! We're ready to welcome you with good food, group activities, entertainment and a memorable evening in the School-pub or around the bonfire.

Food is prepared by **chef Oscar**, our experienced cook. We offer Norwegian Koldtbord, basic and elaborate grill buffets, tapas-buffet as well as Norwegian three-courses. Our regular à la carte menu is available for download on www.florli.no/cafe. For a pre-booked group we can really dish up and get the chef going for just about all happenings, including marriages!

Group activities are usually ordered as a package with lunch or dinner and an afternoon or evening session in the School-pub. Ask for a package offer! **Special rates for schools** and non-profits. Prices are incl. VAT:

We organise your chartered transport without additional charges at the same rates as you would have gotten directly from the operators!
