

## Getting here is surprisingly easy!

*2 ferries, 4 daily departures + daytrips with local tour operators*

Flørli is only accessible by **ferry**, with your own boat or by hiking across the mountains. There are two ferries, four daily calls. You can bring your car on the ferry or leave it on the quay in Lauvvik, Forsand, Songesand or Lysebotn. If you bring your car, you can park it on the quay in Flørli, but there's no parking at the accommodation itself.
